ACE Assistance

If you require assistance anywhere in the world, contact the local telephone operator and ask for a reverse charge call to ACE Assistance on

Country | City | Number

www.aceassistance.com

ACE Assistance is a twenty-four (24) hour emergency referral service. In the event of a medical or similar emergency simply phone, reverse the charge and get immediate help in locating medical assistance in Your local area. This service will also provide non-emergency pre-travel advice on some health-related matters, verify insurance coverage and can help co-ordinate immediate claim payments.

Where Your claim is excluded or falls outside the Policy coverage, the provision of emergency assistance by ACE Assistance will not in itself be an admission of liability.

Considerable effort is made to locate, assess and reassess medical facilities and other services worldwide. However, the medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country and accordingly, it is not always possible to have control over these factors. In the circumstances, responsibility for any loss, medical complication or death resulting from any factor reasonably beyond Our control, cannot be accepted by ACE Assistance or Us.
